REFRIGERATOR/FREEZER

Unless you need to refrigerate flammable or explosive materials, why pay \$2000 for a floor model refrigerator? We can provide you with a nominal 18 cubic foot refrigerator/freezer combination for a lot less money. Due to continuous product improvements by the manufacturer, we cannot guarantee a specific model, however; we will provide you with a name brand unit (Maytag, GE, Frigidaire, Admiral, Whirlpool, etc.). If you require more specific information at the time of your order, please give us a call. Has two adjustable shelves, one stationary shelf, and two side-by-side pull out drawers.
