SECTION 7: HANDLING AND STORAGE

| | |
|--|---|
| Precautions for Safe Handling | Avoid contact with eyes and skin. Avoid breathing vapors. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapor. |
| Conditions for Safe Storage Including any Incompatibilities | Keep in a tightly closed container, stored in a cool, dry, ventilated area. Store away from sunlight, which can contribute to instability. Store away from strong bases and metals. |
